Follow the instructions below to make either the size Pillow Shams.

STEP 1.
CUT ALL OF THE PIECES OUT OF YOUR FABRIC
A. Open your fabric and press it flat. Use your ruler and pencil, measure and mark the dimensions below directly onto the RIGHT side of a single layer of fabric. Then cut along the marked lines.

FROM THE FABRIC:

-Cut 4 panels
  For standard-size - 21" wide x 28" long
  For king-size - 21" wide x 38" long
-Cut 8 Ties - 2" wide x 13" long
Please set the remaining fabric aside for now. You’ll use it to make the binding in Step 4.

STEP 2.
MAKE AND ATTACH THE TIES
A. Fold the first Tie in half lengthwise WRONG sides together and press a center crease.
B. Open the Tie and fold both long edges in to meet the center crease and press. Then fold one of the short ends 1/2" toward the WRONG side and press.
C. Fold the Tie in half again at the center crease and press. Edge stitch* close to the folded edge to enclose the raw edges and backstitch* at each end.
D. Repeat Steps 2A through 2C to make the other Ties.
E. On the RIGHT side of the first panel, measure and mark 6 1/2" in from each side edge along one of the short ends.
F. Starting at one short end of the panel, place the raw end of one Tie to the inside of each mark and pin them in place. Machine baste* a 1/4" seam across the top of the Ties.
G. Repeat Step 2E and 2F to machine baste 2 Ties onto the second panel.
H. Repeat Steps 2E through 2G to attach Ties to the other 2 panels.

STEP 3.
ATTACH THE PANELS
A. Place the first two panels RIGHT sides together matching the outside edges. Pin down both long edges and across the short end without the Ties. Stitch a 1/2" seam along the pinned edges and backstitch at each end.
B. Serge or sew a zigzag stitch in the seam allowances* to finish the raw edges.
C. Turn the Pillow Sham RIGHT side out. Use your turning tool* and gently push out the corners. Press the Sham flat.
D. Repeat Steps 3A through 3C to make the second Sham.

STEP 4.
MAKE THE BIAS BINDING
A. Place the remaining fabric on a flat surface with the RIGHT side facing up. Fold one selvage edge* over to meet the cut edge forming a triangle shape. Press a crease along the folded edge. Open the fabric and cut along the crease line.

B. Use your pencil and ruler, and start at one end of the bias edge, measure 4" in from and parallel to the edge and make a mark. Make another mark 4" in on the opposite end. Match the two marks and draw a line. This will create a bias strip. Continue to mark 3 more strips 4" from the chalk line. Then cut along the marked lines.
C. Attach the pieces by placing the strips perpendicular to each other. With the RIGHT sides together, match the edges and pin them in place. Stitch a seam diagonally across the pinned edge and backstitch at each end. Press the seam open. Trim to make a 1/4" seam allowance.
D. Trim any fabric “tails” along the edges of the seam.
E. Repeat Steps 4C and 4D to attach all 4 Strips together.
F. Then cut 2 pieces of binding each 41" long.

STEP 5.
ATTACH THE BINDING TO THE PILLOW SHAM
A. Fold the first piece of binding in half RIGHT sides together matching the short ends and pin them in place. Stitch a 1/2" seam around the pinned edge and backstitch at each end. Press the seam allowance open.
B. Then fold one of the long edges 1/2" in toward the WRONG side and press.
C. Place the unfolded edge of the binding RIGHT sides together and even with the raw edge of the Pillow Sham. Match the seam and pin it in place. Stitch a 1/2" seam around the pinned edge and backstitch at each end.
D. Flip the binding over to the inside of the Sham and press along the seamed edge. Pin the inner folded edge of the binding in place. Edge stitch along the pinned edge completely around the panels and backstitch at each end.
E. Repeat Steps 5A through 5D to finish the second Sham.
